

AcceleratEDSM

BACHELOR'S DEGREE COMPLETION PROGRAM

YOUR BACHELOR'S DEGREE—ACCELERATED

Our AcceleratED Bachelor's Degree Completion Program is designed for students with previous college credit who want to transfer that credit, accelerate their degree timeline, and earn their degree at an affordable cost. With fully online, focused six-week courses competitively priced at \$260 per credit, our AcceleratED students can complete their Bachelor's degree in as little as 18 months.*

CREDIT TRANSFER

Our transfer policies work to maximize your credit transfer by:*

- Accepting successfully earned course credits and Associate's degrees, regardless of area of study
- Allowing no expiration of previously-earned general education credits
- Earning credit for prior learning and military experience

ACCELERATED

Maximizing your transfer of credit is one way Rasmussen College helps minimize your time to graduation. Through our AcceleratED courses, we also help streamline your time to graduation with focused six-week courses. This efficient course structure, combined with our extensive transfer policy options, can allow you to complete your Bachelor's degree in as little as 18 months.*

AFFORDABLE

Our AcceleratED Bachelor's degree courses are competitively priced at \$260 per credit.* Plus, with our tuition lock, your tuition cost will not increase as long as you continuously enroll in courses from quarter to quarter.*

ACCELERATED PARTNER SUCCESS GRANT

Our AcceleratED Partner Success Grant is an exclusive benefit for our corporate partner students. This \$2,000 grant is awarded to qualified applicants for their commitment and dedication to the achievement of their academic goals. Awarded in the final session of courses and applied to tuition, this grant makes our AcceleratED degrees even more affordable.*

For information on our graduation rates, median graduate debt levels, and other student investment disclosure information, visit rasmussen.edu/SID. Tuition cost does not include a \$150 course fee. Time to complete is based on number of credits transferred and number of courses taken per quarter. Speak with a program manager or registrar for details and eligibility requirements regarding our transfer policies. Tuition will not increase for four years following your start date if you are continuously enrolled in courses from quarter to quarter. Restrictions apply to our Partner Success Grant. Contact your program manager for AcceleratED Partner Success Grant qualification details.
