Wisconsin Head Start Association

Give Back to the People Who Give So Much

DONATE GOODS OR RAFFLE ITEMS FOR THE WISCONSIN HEAD START ASSOCIATION 25TH ANNUAL TRAINING CONFERENCE

FEBRUARY 22-24, 2027 | KALAHARI RESORT, WISCONSIN DELLS

Our General Assembly during the 2026 WHSA Conference

Why your donation matters

Head Start staff care for Wisconsin's youngest children and their families every day, often with limited resources and stretched teams. Each February, more than 300 of them gather at our Annual Training Conference to learn, connect, and recharge. This year is our 25th anniversary, and we want it to feel like a celebration, a chance to thank a caring group of people who give so much.

How you'll be recognized

A printed thank-you card in every attendee's goody bag, listing what you donated. Your organization's name on any raffle item you provide.

What we're looking for | Donations of any size make a difference

- Snacks and food items for attendee goody bags. Individually packaged, grab-and-go items are especially welcome.
- Raffle items and services. Gift baskets, gift cards, products, and experiences that make great prizes.
- Other goods that fit in a goody bag. Branded items, giveaways, and useful extras.

WHSA is a private, nonprofit membership association representing parents, staff, and leaders across Head Start, Early Head Start, Migrant and Seasonal Head Start, and Tribal Head Start programs throughout Wisconsin. We support, connect, and advocate for the 42 programs delivering these services across all 72 of Wisconsin's counties.

WHSA is a 501(c)(3) nonprofit membership organization. Donations may be tax-deductible. Please consult your tax advisor.
